Savitribai Phule Pune University

Master of Computer Application (MCA)

Sept 2024 - 2026

Sant Gadge Baba Amravati University

Bachelor of Computer Application (BCA)

June 2021 - 2024

Skills

Programming Languages : Java

Core Java : OOP, Collections Framework, Exception Handling

Backend : Spring Boot, REST APIs

Databases: SQL, DBMS

DSA: Data Structures and Algorithms

Tools: Git, GitHub, VS Code

Soft Skills: Problem Solving, Communication, Teamwork, Adaptability

Projects

Career Roadmap Generator.....

Technologies Used: Java, SQL, HTML, CSS

The goal of the project was to organize scattered learning resources into a structured, skill-based journey that helps users learn step-by-step and monitor their progress automatically.

Key Features:

- Developed a skill-based learning platform to organize learning resources into structured career roadmaps..
- Implemented step-by-step learning paths and automatic progress tracking.
- Developed skill-based quizzes and performance tracking features.
- Implemented personalized skill recommendations based on user performance.
- Used Java and SQL for application logic and data management.

Training

AccioJob Skills Centre, Pune: Java Full Stack Development

- Relevant Training : Core Java, DSA, SQL, Spring Boot, REST APIs, Git and GitHub

Achievements

- Solved 100+ Data Structures and Algorithms (DSA) problems using Java.
- Demonstrated strong problem-solving and analytical skills through consistent coding practice.

Other Information

Languages: English, Marathi, Hindi

Volunteering: NSS Camp - Coordinated volunteers in planning and executing community outreach initiatives, leading a health and hygiene awareness program (July 2024).
